

### Plate Finishes

Modular plate finishes are available in 7 standard finishes;

Matt White (WH)

Matt Black (MB)

Satin Chrome (SC)

Polished Chrome (PC)

Matt Bronze (BM)

Antique Brass (AB)

Polished Brass (PB)

Plates are hand finished resulting in each plate being unique. Differences in colour of plate finishes shown in photos across Rako's website are due to lighting at the time of photography.

### Cleaning Information

No abrasive or solvent-based treatment should be used. Plates, should only be cleaned with a soft, non abrasive dry cloth.

### Installation

Modular keypad surrounds are quick and simple to install;

Place the HS-MOD surround directly over the MOD keypad assembly.

The HS-MOD surround will magnetically attach.

Care should be taken when removing the HS-MOD surround. To remove the surround, pull away from the wall squarely towards the installer.
