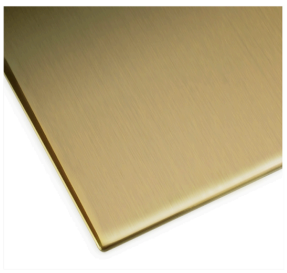
1.0 Wireless Coverplate Section

1.1 Finishes - Rako Heritage Brass

The Rako Heritage Brass Cover Plate range is available for wired and wireless keypads in seven standard finishes. A range of Heritage Brass accessories are available to match Classic plate finishes. Select the following ranges at m-marcus.com; Studio or Vintage.

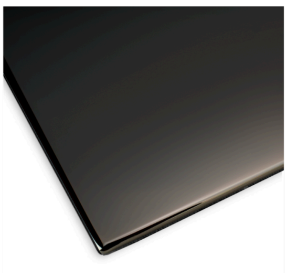
To view matching finishes for accessories, a tool is available on the M-Marcus website:
Heritage Brass & Rako Smart Lighting Control

Antique Brass (91)



A classic, warm-toned finish which works well with traditional interiors.

Matt Black (YBK)

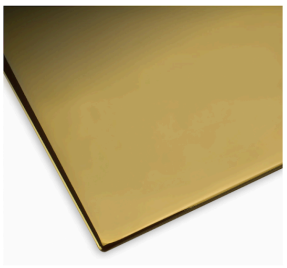


A modern matt black finish that is best suited for a contemporary setting.

Matt Bronze (09)

A rich, dark and luxurious finish pairs well with dark wood finishes, leather furniture, and muted earthy colour schemes.

Polished Brass (01)

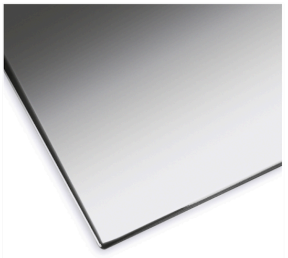


A bright and reflective finish suits a formal and elegant setting.

Matt White (MWH)

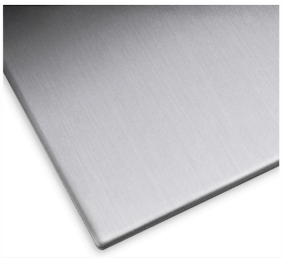
Clean and minimal finish ideal for bright and airy spaces.

Polished Chrome (02)



A sleek and modern finish suitable for contemporary minimalist interiors.

Satin Chrome (35)



A smooth and muted finish for neutral, balanced environments.

PLEASE NOTE

Actual finishes may show slight variations in texture, colour, and appearance from the samples shown due to manufacturing processes, material properties, and lighting conditions
